*"The cupboards had very little left in them and I was really worried about my next meal. Then I looked out on my porch and saw this great bounty of food I received from CARES... words will NEVER be able to express how liberated from my worries I felt! My fears quickly turned to joy and relief."*

## WHY PARTICIPATE?

Nashville CARES serves more than 50,000 people across Middle Tennessee who are living with or at risk for HIV.

One of the many comprehensive care services we provide those living with HIV, are bi-weekly food bags including fresh produce and pantry items. We've also begun a community garden where clients can help tend the garden as well as "shop" from it!

## WE NEED YOUR HELP!

**Your participation in Dining Out For Life®** can significantly increase the number of people Nashville CARES can provide with healthy, nutritious food.

FIGHTING TO END HIV/AIDS

We invite you to join us for the **21st Annual Dining Out For Life®** event on **Wednesday, May 17, 2023**. This year, our theme is *Feeding People. Healing People*. We know that *feeding people* is what you do, and *healing people* is what we do – and together we can change the lives of those living with or at risk for HIV!

This city-wide event involves more than 20,000 diners, dozens of volunteers and more than 80 restaurants and food trucks in the Nashville area. Local restaurants participate by contributing a percentage of their sales from breakfast, lunch and/or dinner services to Nashville CARES helping bring lifesaving food and nutrition to some of our community's most vulnerable populations.

Attached is a Restaurant Recruitment Packet showing all the marketing benefits you will receive and how **your participation will help change the lives of those affected by HIV**. Just click the link on the back page of the packet to complete your Restaurant Agreement form. We will begin a robust marketing campaign starting April 1st so please be sure to get your Agreement back to us by **March 25th** to best benefit from our advertising efforts.

If Wednesday the 17th doesn't work for your restaurant we have a Saturday or Sunday option available. Please see the Restaurant Agreement form for details.
